Neighborhood Safety Workshop

Kudos to go out to Suzanne Mellard, Helen Crothers, Angela Jackson, Jesse Markman and Lisa Lee for organizing a highly successful neighborhood safety workshop for the community. The two day seminar invited professionals in surveillance cameras, security systems and locks and doors to answer questions about what is available, what is effective and how it works.

Now is your Chance to Give Back and Get Involved

Volunteering is fun, builds community and allows you to repay a little of what's been done for you. The Membership Committee is seeking your time and talent. A quorum of ballots/proxies was not reached by or at the January 4th election meeting. The members present voted not to adjourn for a 3rd attempt. The existing directors remain on the Board for 2014. Next election will be in November. Thank you to those who participated.

At the January 15th Board meeting, the Directors voted for these positions:

President	Joshua Morgan
Treasurer	Peter Turner
Vice President & Chair, Neighborhood Preservation	Gerry Montmorency
Vice President & Chair, Parks	Chris Metcalfe
Secretary & Chair, Membership	Mary Merrick

WANT TO REMOVE A TREE?

The Lakeshore Homes Association has, since its inception in 1917, had a Policy requiring homeowners get **permission from LHA to remove any tree that measures 12" in diameter or greater at a height of 4' above the ground.**

Even given this long-standing policy, every year there are a few people who remove their trees without first coming before the Association. At times there are legitimate reasons for the trees to be removed. However, because the procedures are not followed, the Association is left with no recourse but to fine the property owner.

The **Policy**, in a nutshell, requires anyone wishing to remove a tree to:

1. Make application with LHA (forms are available on-line or at the office).
2. Pay a refundable planting fee of \$100 per tree to LHA.
3. Obtain a permit from and pay a \$250 (currently) fee to the City of Oakland.
4. Inform neighbors of your intentions to remove the trees.
5. Submit the above information to the Neighborhood Preservation Committee that meets the first Wednesday of every month at the Association office.

Failure to comply with the Policy will result in a fine of at least \$500 per tree depending on the stature of the tree. We are serious. Since 1999, we have collected \$5000 in fines which fines go to replanting trees in our neighborhood. But we'd really rather have the desirable mature trees than the money. One of the many attractive features of our neighborhood is the abundance of majestic trees that grace our properties. While there are legitimate reasons to remove trees, it is the goal of this Policy to encourage the overall maintenance of desirable trees and to enhance the aesthetic quality of the neighborhood.

Thank you for complying with the CC&R's of your Association. If you have any questions, please call the LHA office (510.451.7160).

Roundabout Etiquette and Law

Our roundabout is at the intersection of Grosvenor and Holman. To help us navigate safely and legally, here are the rules excerpted from the California Driver's Handbook.

A roundabout is an intersection where traffic travels around a central island in a *counterclockwise* direction.

- Vehicles entering or exiting the roundabout must yield to vehicles, bicyclists, and pedestrians.
- Drive in a counterclockwise direction.
- Use turn signals to exit the roundabout.
- If you miss your exit road, counter around until you reach your exit road again.

For example, if you want to turn left at our roundabout, proceed counterclockwise around the central island 270 degrees (3/4 of a circle) and exit on the 3rd road out. Do not skip the part about going around the island!

Please SLOW down and please STOP at stop signs!

Speeding on our neighborhood streets is much too common. Stopping *completely* at our stop signs is much too infrequent.
