Cluster Captains – please forward to your clusters. Thanks!

PG&E Construction – Saturday, April 16th 9:00am-7:00pm

Intersection of Park Blvd & Grosvenor Place

There will be potential traffic delays at this intersection as PG&E continues working on substation upgrades. A portion of the intersection will have temporary traffic controls, including rerouting of traffic lanes. Flaggers and OPD will be monitoring and directing traffic.

Parks Work Day – Saturday, April 16th 10:00am-12:00pm

Oak Grove Park, Paloma Avenue entrance

Join us in the park for some spring cleaning and fresh air! It should be a good day to get outside and enjoy our splendid Parks. This month we focus on Oak Grove (meet at the Paloma Avenue entrance). Bring gloves / clippers / rakes.

Safer Crocker Highlands Meeting – Thursday, April 21st 7:00pm

LHA Office 907 Underhills Road

Safer Crocker, an initiative to bring a private security patrol service to Crocker Highlands, is holding an informational meeting and all are welcome to attend. You can also check out their website to join, participate, or learn more www.safercrockerhighlands.org

Citywide Disaster Drill – Saturday, April 30th 8:30am-12:30pm

Several LHA neighbors from Cluster D have formed a team to participate in this disaster preparedness drill. If you'd like to join them, there's a planning meeting set for Sunday afternoon, April 17th. Contact Lisa at the office for more information office@lakeshorehomes.net

Glenview Neighborhood Building Proposal, Corner of Park Blvd / Hampel Street

As many LHA residents use this intersection to access our neighborhood, the Glenview Neighborhood Association Lot Development Task Force has forwarded a link for LHA neighbors to view a proposal for development of an empty lot at that intersection:
