CORE I, Tuesday June 21st, 6:30-9:00pm

LHA Office, 907 Underhills Road

Another opportunity to attend CORE training! CORE, or Communities of Oakland Respond to Emergencies, is a free training program that teaches self-reliance skills and helps neighborhoods establish response teams to deal with emergency situations like earthquakes, fire or floods. The underlying premise is that a major disaster will overwhelm first responders, leaving many citizens on their own for the first 7-10 days after an emergency. CORE I covers preparing your home and family for an emergency in a very informative, 2 ½ hour session. Hope we'll see you there – please RSVP office@lakeshorehomes.net

National Night Out, Tuesday August 2nd

Time to organize this year's block party! National Night Out is a great excuse for neighbors to get together and build community. Check with your Cluster Captain and/or neighbors, choose a location and register your party here: www2.oaklandnet.com/nno
