

Application for Changes to Property

What to Consider

In general, any project that impacts the outside of your home or lot will need prior approval by LHA before you begin. For details:

- ✓ read the CC&Rs
- ✓ read Neighborhood Preservation's Working Definitions & Explanations (<http://lakeshorehomes.net/administration/neighborhood-preservation-committee>),
- ✓ read the Fine Schedule Policy, and
- ✓ talk to the LHA Administrator.

Some examples of changes needing prior written LHA approval:

- | | | |
|-------------------------------|--------------------------|--------------------------------|
| • Replacing windows | • Installing sport court | • An addition |
| • Moving door | • Rebuilding garage | • Change porch |
| • Changing roofline | • Adding greenhouse | • Solar panels |
| • Balcony/deck work | • Front hedge | • Retaining walls >3' |
| • Storage shed | • Handicap ramps | • Outdoor kitchen |
| • Gazebo, pergola, tree house | • Replacing garage door | • Repair, replace, build fence |

Vinyl or aluminum *windows* and metal *doors* are not compatible with exteriors as originally approved and built.

Guidelines for windows apply to all, not just street-facing, windows.

From the CC&Rs:

“4.2 Approval of Plans and Specifications. ...The Association will not approve the plans for any improvement...which is not of an architectural type compatible with existing improvements within the Property.

4.3 Quality. Construction materials used must be substantially the same or better than materials used in residences existing on the date these covenants are recorded. Exterior surfaces shall consist of materials and texture having a visual impact compatible with existing improvements within the Property.”

Lakeshore Homes Association

Application for Changes to Property

How to Proceed

1. The application process takes one (1) month to complete.
 - Neighborhood Preservation Committee makes its recommendation to the Board
 - Board makes decision, usually 2 weeks later

2. Submit completed applications the Tuesday before the Neighborhood Preservation Committee meeting.
 - Include information useful to understanding the project and making a clear decision.
 - “Project Description” on page 2 of this Application suggests helpful items to include.

3. You are not required to come to that meeting; it can be helpful to answer questions and alleviate concerns. Architects and/or landscapers are welcome to join you. Applications are reviewed on a first come, first serve basis.

4. At the end of the Neighborhood Preservation Committee meeting, a determination for each application is made by the Committee, for the LHA Board:
 - Recommended as presented
 - Recommended with caveat
 - Not recommended
 - Not recommended, will reconsider with certain conditions/revisions

5. Applications recommended are then forwarded to the LHA Board of Directors for decision at their next normal meeting (usually 2 weeks later). The day after that Board meeting, the homeowner is notified of the decision. Only then can your project commence (if approved).

Please
DO NOT BEGIN YOUR PROJECT UNTIL LHA GIVES FINAL APPROVAL.

Thank you for complying with the CC&Rs of our Association. Questions? Please call the office (510-451-7160).
