**Background** I am a seasoned lawyer focusing my practice on real property litigation, class action defense, condemnation/ eminent domain, and complex business disputes. I have represented public entities and private clients in connection with the acquisition of real property for a variety of public projects, including highway and road realignment, the California High Speed Rail project, retail electric utilities, and local light rail systems. I am interested in serving as a board member to address issues beyond Bates Road, with the objective of maintaining the neighborhood standards for the entire LHA.

Background My wife and I have been members of the Lakeshore Homes Association since 2010 and residents of Oakland since 1980. We enjoy living here, and we appreciate the unique nature of the neighborhood, with the numerous plane trees, curved streets, and attractive landscaping, all within an exciting urban setting. Experience with LHA (e.g., committees, Board) \_\_\_\_\_

I have been on the Lakeshore Homes Association board for the last year, serving as secretary and as head of the preservation committee, reviewing the proposals put forward by homeowners for changes to their properties.
